30 Day Filming Project

MUST BE UNDER TWO MINS LONG!

Steps...

- take camera with you everywhere.
- film any moments that inspire or make you smile
- film something everyday
- play experiment get comfortable and try try again till you get a shot you love!

Edit...

- go through your footage and take out only the best moments
- edit them to music
- export and upload to your vimeo or youtube account
- tweet @suebryce and @ycbsisfun with hashtag #30daysoffilm **by April 15** and we will put our top 5 on our blogs & share them.
